

## AUSTRALIAN PRIDE IN SPORT AWARDS – COVID-19 SAFETY MEASURES

ACON's Pride Inclusion Programs together with Dockside Group are committed to hosting a safe event for all those in attendance, following the advice from relevant State, Federal and National Medical Authorities with the subsequent measures in place:

- Multiple hand sanitiser stations upon entry and across the venue available for use;
- Extensive cleaning prior and during the event including wiping down all tables and surfaces, cleaning bathrooms etc;
- A strict capacity of attendees on the balcony and the main venue. Seating will be spread out to adhere to social distancing rules. Opening of internal doors to reduce touchpoints and increase ventilation and spacing dots placed throughout the venue to encourage social distancing;
- Temperature checks may be conducted upon arrival. Should any person show signs of being unwell, they will not be allowed to enter the venue. This will be handled discreetly and with sensitivity as much as possible;
- There is a legal requirement that the venue must capture the name and contact details of all staff and guests who are admitted on site. This is non-negotiable and these details will be kept securely for 28 days from the event date and then destroyed. All guests will be required to provide their full name, contact number and email address prior to attendance.
- Networking whilst standing will not be permitted. Upon arrival, guests will be ushered to their seats and will be asked to remain seated throughout the event;
- Individual plates will be served and drink service adhering to State and Federal Food Safety guidelines;
- Presenters on stage will be spread out to adhere to social distancing, with additional microphone available for award winner speeches;
- Award winners will be asked to reduce the amount of people coming up on stage and will be asked not to shake hands;
- At present wearing a mask will not be mandatory, however, please feel free to do so at your own convenience and comfort.

The health and safety of our attendees is our number one priority. If you are feeling unwell you should stay at home and if you have symptoms of coronavirus (COVID-19), however mild, you should get tested.

Together we can stop the spread and protect ourselves and community.
